Dear Business Owner/Manager,

The Stickney-Forest View Lions Club will be hosting our Fifth Annual Charity 5K Run/Walk fund-raiser on Sunday, September 23, 2018. This event is open to the public and will be advertised with brochures throughout the suburban area businesses, along with posters. With Stickney being centrally located, we draw from the Chicago and suburban area. All proceeds raised will go to the Breast Cancer Research Foundation and The Wellness House. Last year event raised \$8500.00.

We are looking for sponsors for this event. We offer many levels of sponsorship, starting from \$50, (see the enclosed sponsorship sheet). All sponsors will be listed on our brochures.

In addition to monetary sponsorships, we are also looking for in-kind donations of water, fruit, bagels, donuts, granola bars, juice, power drinks, and race related door prizes. The first 250 entrants will receive a goody bag. We welcome our sponsors to supply a promotional item to be added to our goody bags, (menu, coupons, advertising items or just a flyer from your business).

We also would like you to consider having a team of walkers/runners from your company; Once again this year we will be offering a discounted entry for company & family teams.

We would like to include the name of your company on this year's sponsorship list. Please return your sponsorship form in a timely manner. To successfully advertise our event we need to print and circulate the first 2,500 brochures well in advance of our 5K.

We have enclosed a sponsorship form and hope you can be part of our clubs annual signature event. Like so many families, our loved ones have been touched by this terrible disease. Our goal is to celebrate the survivors, encourage and support those currently fighting, help find a cure and support the Wellness House. The Wellness House services help families deal with all cancers. We look forward to hearing from you and hope we can count on your generous support.

Warm Regards,

*Lion Dan*
